## Invitation

I am pleased to invite you to the IDCN Onboarding workshop taking place in Brussels, Belgium on the 18<sup>th</sup> of March 2015. As communicated previously, to launch an IDCN location, corporate participant(s) should attend this event.

Over the course of this workshop you will get a clear understanding of the IDCN, what the global model looks like and how we are going to collaborate together to implement it in the different regions selected by the participating companies.

Last but not least, you will have the opportunity to connect with other leading companies with common objectives - to boost the geographical mobility of dual career partners and attract top mobile talents.

I am looking forward to welcoming you in Brussels and successfully working together to launch this new IDCN network.
